

MISSION POINT LIGHTHOUSE KEEPERS' ASSOCIATION, INC.

Dear <First Name>,

We want to thank you so much for being a past lighthouse keeper. In 2021 there were 65 of you who were keepers. Thousands of visitors enjoyed the lighthouse, and your efforts were a significant reason. Hopefully, your experience gave you a unique insight into what life at the lighthouse would have been like 150 years ago and the importance of preserving and sharing this unique treasure.

I want to share exciting news from The Mission Point Lighthouse regarding the opportunity to show your support of the lighthouse in a new way.

A new non-profit support group has been formed named

MISSION POINT LIGHTHOUSE KEEPERS' ASSOCIATION

Mission Point Lighthouse Keepers Association (MPLKA) was formed to create a new method for supporters to be informed of news throughout the year and raise funds for new projects that would increase the knowledge and the connection to history that the lighthouse offers for all.

Your membership will support educational activities such as increased visits from school groups and public events to share historical information about the lighthouse and our area. Other possibilities exist, such as improving signage on our trails or a telescope viewer to look out the bay as far as the eye can see. These are just a few of the many possibilities that your support can help us pursue our mission: preserving, promoting, and educating the public about historic lighthouses and making the Mission Point Lighthouse accessible to all.

Membership in MPLKA will be on an annual subscription basis and will include benefits to members such as:

- Quarterly newsletter regarding the happenings at the lighthouse
- Discounts on merchandise purchases and tours
- Membership Card

MEMBERSHIP APPLICATION FORM

Perhaps in the past, you have been an official "lighthouse keeper," spending a week at the lighthouse helping to share its heritage with the public. Maybe you have been one of the tens of thousands of annual visitors to the lighthouse and tried to imagine what life at the lighthouse would have been 150 years ago. Or perhaps you just like lighthouses and think it necessary to preserve and share the history of their unique place in our past. If you are interested in lighthouses, you might be interested in becoming an honorary "keeper" and joining our association.
